complete catalogue

2015

Oxford University Press is one of the largest and most respected music publishers in the world, with an impressive catalogue of 2,500 items covering the education, scholarly, and performance fields. This catalogue lists all music and hymn books for sale from Oxford University Press. It does not include titles which are out of print or available through the OUP archive services, books about music, nor titles available from the OUP Hire Library

Titles published by the ABRSM (Publishing) are listed separately in ABRSM catalogues.

Mit 2.500 lieferbaren Titeln gehört Oxford University Press zu den größten und renommiertesten Musikverlagen weltweit. Das weit gefächerte Verlagsprogramm umfasst Schulwerke, Spielliteratur, musikwissenschaftliche Editionen und Ausgaben zur Aufführung in unterschiedlichen Besetzungen. Dieser Katalog enthält alle käuflichen Notenausgaben, und Kirchengesangbücher. Nicht enthalten sind vergriffene Titel sowie Ausgaben, die über den "OUP Archive Service" oder die "OUP Hire Library" erhältlich sind.

Das ABRSM-Programm (The Associated Board of the Royal Schools of Music) wird in eigenen Katalogen präsentiert.

Oxford University Press est une des maisons d'édition les plus grandes et les plus respectées du monde. Avec 2500 articles son catalogue est impressionnant. Les éditions Oxford sont extrêmement variées, couvrant des domaines tels que l'éducation, les livres scolaires, et de représentation. Le catalogue contient toute la musique imprimé et des carnets de chant en vente chez Oxford University Press. Il n'inclut pas les titres qui ne sont plus en vente, ni ceux disponibles seulement aux archives d' OUP, ni non plus, ceux disponibles en location à la "OUP Hire Library".

Des titres fournis par ABRSM sont regroupés dans un autre catalogue propre à ABRSM.

The catalogue has two sections:

1. Alphabetically by composer/arranger/editor
2. Alphabetically by title

Titles which begin with a number (e.g. 100 Carols for Choirs) appear at the beginning of the listing by title.

Prices quoted apply in the UK only and are subject to change without notice.

NP means not yet published at the time this catalogue was prepared.

Titles marked * are, for copyright reasons, unavailable in certain territories.

Titles marked ~ are available from Goodmusic (details at the back of this catalogue).

UK customers (including the Isle of Man but not the Channel Islands) should add VAT at standard rate on non-book items, marked + in this catalogue (e.g., CDs, notebooks, stickers). Customers elsewhere in the European Union should provide their VAT number and no VAT will be charged.

Prices are valid until 31st December 2015. Prices are correct at the time of going to press but are subject to change without notice.
